

**PENTECOST 2006 • JUNE 26-28**

National City Christian Church, Washington, D.C.

# Building a Covenant for a New America

## Emerging Leaders Track

The Emerging Leaders Track is for participants age 30 and younger interested in how they can raise their prophetic voices on campuses, in their places of work, in their faith communities, and in the world.

### Highlights of the Track:

**Dinner Forum** with prominent religious leaders and faith-based activists to network and share experiences.

**Dialogue with Legislative Staffers** to hear how they incorporate personal faith into their work on Capitol Hill.

**Workshops** on topics such as:

- Organizing Effectively on College Campuses
- Spiritual Disciplines and Practical Ways to Sustain Long-Term Activism

*Some scholarships are available. Registration, information, and scholarship applications are available at*
